

WARRANTY CERTIFICATE FOR PLUMBING INSTALLATION

This certifies that we, **Erickson Property Maintenance**, warrant that any plumbing work performed *by us* at the residence or business of _____ will be free from leaks and malfunction for a period of _____. * This does not include leaks or malfunction due to factors beyond our control, including but not limited to: freezing, fire, earthquake, storms, undue physical force, ETC.

In the event that the plumbing does leak or malfunction, we will repair it *at our convenience*, with no labor cost beyond the materials.

*Or until house is sold or tenancy changes, whichever comes first
